

II. REMARKS

The Examiner has indicated that the previously cancelled claims were submitted in the improper format. Applicant believes that it has complied with the Examiner's suggestion by deleting text matter of the cancelled (but not entered) claims. For that reason please substitute the attached claims for those submitted with Applicant's most recent Amendment.

Please note the change of correspondence address for the Applicant's attorney of record as shown below.

III. CONCLUSION

Applicant submits that the claims are now in proper condition and requests the Examiner allow the same.

Respectfully Submitted,
